

No. EdCIL/SII/2024/102

23-September-2024

CIRCULAR

Sub: Furnishing of information regarding International students admitted (landed) for the Academic Year 2024-25

EdCIL vide an email dated 5th August 2024 and 14th August 2024 sent a **google form** to furnish information about international students admitted in the current academic year 2024-25. Information was sought regarding the total number of international students enrolled in the current AY 2024-25.

The international students registered through the Study in India website portal and admitted in the HEIs were allotted SII student ID excluding the students from Nepal and Bhutan, who have taken admission directly, if admitted.

It is now requested to furnish the name of the admitted international students along with their SII student ID.

In case the student has not registered on SII website (or) doesn't have SII ID, HEIs are requested to kindly register the student details on SII website portal and generate his/her SII Id. The same needs to be shared with SII.

A similar process may be adopted for students of Nepal and Bhutan.

For any assistance, you may connect with Mr. Anshul Gupta, email id: anshulgupta@edcil.co.in.
